21st April 1947.

The Dewan of Mysore State,
MYSORE

Respected Sir,

I am the trustee of Musafarkhana--resting house for Muslims and Cutchi Memon community and Chatram for performing their marriages and religious uses located in No.9, Lasker Mohalla, Mysore. The said property has been an endowment for specific charitable uses The Chairman, Mysore City Improvement Trust notified that he proposed to have the undermentioned land forming part of the Musafarkhana in No.9, Lasker Mohalla Road, to be taken and that within 30 days of the notice, I should file my objections with reasons.

Accordingly in answer to the notice served on 12-12-1946 by a communication dated 7--1--47 sent by registered post to the Chairman Mysore City Improvement Trust Board, I objected to the acquisition and stated my reasons for doing so and also objected to the demolisation of a latrine threatened by the Municipality stating therein that the latrine was constructed after obtaining sanction that the same has been existing for over 20 years, that the same does not project or constitute any obstruction or inconvenience and I was even prepared to purchase land leading straight from the latrine wall to the building to the mainroad expressing also that there was no other room to provide latrine in the building without which inmates would be put to hardship and difficulties.

The said objections and representations made by me have not been favourably considered by the Chairman.

I therefore respectfully appeal to your honour that for the reasons set forth above and in my communication to the Chairman dated 7--1--47, the acquisition of part of the endowed property may be directed to be dropped and the attempted demolition of the latrine directed to be abandoned as otherwise the purposes of the endowment and the trust will be seriously jeopardised and defeated. I also beg to state that from the situation of the property and the latrine therein, it will be seen that perfect cemetry already exists without need for demolision of the latrine or acquisition of the property.

I beg to remain,
Honoured Sir,
Your most obedient servant,

Fathima Bai

Subject. Chowk Sarai -- Choultry -- Muslim charitable Institution, S.D. Lasker Mohalla Road, Nos. 38D-40 -- Compulsory acquisition.

Ref:- L.A.T. 7/46-47 dated 28-11-1946 from the Chairman of the Mysore City Improvement Trust Board.

I most humbly beg to submit for your just and sympathetic consideration the following facts and grievances regarding a Muslim charitable Institution for redressal, because they involve questions of religious toleration and protection of minority's interests under the aegis of His Highness The Maharajah of Mysore, especially at the present juncture when unjust forces of the tyranny of the majority are causing extreme anxiety in the minds of the people of India.

A Muslim Ratchi Memon lady by name Pesu Bai, who was my wife's maternal grand mother constructed from out of her own personal funds and created 'waqf' (Permanent charitable endowment) of a choultry called

"Khasim Sarai" on the Sasker Mohalla road in Doddpet in the City of Mysore in or about the year 1918 and later on confirmed the same by means of her Will dated 23-12-1927 and dedicated the same to the Muslim Public to be used as a choultry (Musafarkhana) for the accommodation of Muslim travellers and also as a marriage hall for the Muslim residents who are in need of a place for performing marriages and for such other charitable purposes. This sacred trust was originally under the management of the (Waqf) founder's son in law Abdul Rahiman Sait as per direction of her - abovesaid Will through out his life-time as the Mutawalli - (Trustee) of this charitable endowment. After his death in 1933, his wife Khatya Bai succeeded to that management; but for the sake of proper supervision and convenience, she, (who died in 1940) by her Will dated 10-1-38 appointed me as the Mutawalli (Trustee) of this institution. This Muslim charitable endowment has been evidenced so early as in 1921 at the Government Notification on - page 12 of the Mysore Gazette dated 13--1--1921 when the Government was pleased to exempt it from House Tax. I - beg to submit that for the last 10 years I have been - looking after the management of this "Khasim Sarai" for the convenience and to the satisfaction of the Muslim - Public and that this is the only choultry to cater to - the needs of the Muslim Middle classes and the Muslim - masses in the City of Mysore.

While so, the Chairman of the Mysore City Improvement Trust Board started the project of opening a Road to a very small temple of Tailors situated in a re-

remote locality at a considerable distance from Khasim - Sarai and for this purpose some house sites and houses - also have been compulsorily acquired and demolished. In the course ofthis scheme the Chairman issued a notice - L.A.I.7/46-47 dated 28-11-1946 for the acquisition of a latrine which is at the corner of the "Khasim Sarai" abutting the road that is being laid to the abovesaid temple.

I beg to submit that this latrine in question was constructed after obtaining formal sanction from the Municipality. This "Khasim Sarai" has no funds or - other property of its own for any expenses for the upkeep and maintenance of the building. Such expenses are defrayed only from charitable contributions. While so, it will be not only a hardship to construct any other latrine but also an impossibility because there is no space at all left or available in the premises of the choultry to construct a latrine therein. The poor Muslim Public who frequent this choultry for rest or marriage will be put to - very serious inconvenience and discomfort if this latrine is removed. I beg to submit that this latrine does not - cause any hindrance or impediment to the road in question. ever if it be so, I shall be prepared to purchase from - special contributio n the very narrow strip of land between "Khasim Sarai" and the line extended along the outer wall of the latrine in question so as to make the road - straight and uniform. I venture to submit that the remova of the latrine under the present extra-ordinary circumstances, will cause nothing but misery to the poor Muslim public and insanitation to the Municipality. If it is -

the opinion of the Government or The Mysore City Improvement Trust that the latrine is to be reconstructed on the modern style, I am willing and prepared to do so - according to the plan, directions, and specifications that may be stipulated by the authorities.

I most humbly beg to suggest that a personal inspection of the locality will convince you of the justice of my cause in the interest of poor muslim and the arbitrary highhandedness and the improper injustice of The City Improvement Trust board. I have already submitted a representation on this matter dated 7-1-1947 to the Chairman, to which I have not yet been favoured with a reply.

Therefore, I most humbly pray that you may most graciously be pleased to take pity on the poorer muslim public and to issue necessary directions in the matter so as to save the latrine in question for which act of charity and kindness, I and the muslim public shall for ever be highly grateful to the Sovereign Government of His Highness The Maharajah of Mysore who is the protector of all peoples alike.

Sir,

Acquisition of portions of properties bearing D Nos 449 & 449/1 (New Nos 539 & 540) in Block No 9, Lashkar Mohalla, Mysore, for improvement purposes

---

With reference to your Memo No L 16993 dated the 17th June 1947 calling for a report on the petition of Fathimabi protesting the above acquisition, I have the honour to state that some dilapidated and dirty buildings were acquired for slum clearance sanctioned as per Government Order No L 1274-7/M1 23-44-63 dated the 23rd June 1945

The contention of the petitioner that the latrine is existing there from a long time is not tenable for the present condition when all the houses are provided with underground drainage and the latrine could as well be located within the premises which will be very convenient to the inmates

As regards the other contention that the Khasimsaras has no funds to undertake such construction etc , the Trust Board compensates the acquired property, and a free connection will be given by the Trust Board as usual

In this connection, kind reference is invited to my letter of even number dated the 10th May 1947 where a detailed report has been submitted for the perusal of Government and the other points referred to in the petition do not have any substance bearing upon the point at issue The enclosures received with your Memo under advertance are retransmitted herewith
